“The Sisterhood of Cities Leads to the Brotherhood of People”

## **Scottsdale Sister Cities Annual Young Artists & Authors – 2021 Local Showcase** **2021 Theme “United in Hope” Student Art & Writing Competition**

In this most uncertain year of isolation and disruption, staying connected and positive may seem a daunting challenge. Our friends and colleagues around the world seem further away than ever. With this theme, we ask students to explore their insights from this unprecedented year, and share their vision for a more unified, peaceful world.

Subject Examples: How has your life been impacted? Have you discovered new ways of staying connected? What observations have you made seeing the struggles of people in other countries facing the same pandemic? Are there any people or events that have given you inspiration and hope? Have you taken on any new hobbies or skills? What are your hopes for the world as we evolve from this crisis? What are some unique ways that your city, country, or culture has proven to be hopeful during the past year?

Sister Cities aims to promote peace through mutual respect, understanding, and cooperation – one individual, one community at a time. We invite you to share your creations with us and our friends around the world.
